

SHIWEI LIU 刘适为

BIO

Geboren 1995 in Changsha, Hunan. Im Mittelpunkt meiner kreativen Arbeit steht die Erforschung der Möglichkeiten, Sprache als Musikinstrument aus weiblicher Perspektive und mit multikulturellem Hintergrund einzusetzen. Ich kombiniere die klanglichen Veränderungen des Hunan-Dialekts mit westlicher zeitgenössischer Musik, um der Sprache einen neuen musikalischen Ausdruck zu verleihen und die subtilen Verbindungen zwischen Kultur, Geschlecht und Natur aufzuzeigen. Durch diese interkulturelle Verschmelzung durchbreche ich traditionelle Grenzen, erforsche, wie der einzigartige Ausdruck von Frauen durch Klang im Kontext der Globalisierung vermittelt werden kann, und fördere Innovation und den Austausch zwischen Kultur und Geschlecht in der zeitgenössischen Musik.
